

## Mission:

To foster the development and growth of the Homewood-Brushton business community, enhance its visibility, and preserve its history by increasing the capacity of businesses through providing access to capital, industry information, technical assistance and business support.

## Vision:

To increase the economic viability of Homewood business owners.

## Goal:

To expand opportunities, enrich our business base, and build stronger connections with our partners to facilitate the growth and success of our members.

Business Association

## What We Do

Established in 2014, the Homewood-Brushton Business Association is dedicated to working with entrepreneurs, family-owned businesses, and small neighborhood businesses within Homewood.

HBBA enables the current and next generation of businesses to compete successfully in Pittsburgh and Homewood's resurgent regional economy by connecting members to innovative opportunities, upcoming development, and relevant business resources.

## What We Offer

- **Visibility**

Increase your *customer attraction* and improve your business's image

- **Credibility**

Belong to a community of businesses that will support one another and *be recognized* through the organization

- **Voice**

Advocacy and ability to participate in *conversations and decisions* about the future of the neighborhood

- **Growth**

Opportunities for technical assistance, *resources & financing*, and educational workshops

- **Network**

Build your network with other businesses, nonprofits, funders, and access to *beneficial connections*

- **Marketing Discounts**

Free or *discounted promotion* online, via social media, and through our partnership networks

- **Event Perks**

Receive discounts and *early access* to HBBA's events (Small Business Expo, Progressive Dinner, etc.)
